LAWN GAMES HIRE

TERMS AND CONDITIONS

The terms and conditions are between Just Fun and Games and the hirer (person or organization hiring the products) and by hiring from us you are agreeing to our terms and conditions. All goods hired are the responsibility of the hirer until they are returned to us.

LIABILITY

“Just Fun and Games” and its employees will not be responsible for any damage, or any injury caused to person/people or place during the hired period. All goods are hired and are the responsibility of the hirer until they are returned to us in full.

COLLECTION AND DELIVERY

Collection and delivery of hired goods: Monte Rosa Flats, 274 Main Road Paarl. Monday to Sunday with prior time arrangements.

Please note WE DO NOT deliver or collect any of the hired games.

We do ask that you please make sure that the vehicle you collect your games in has enough space for games to be transported in. If you are unsure, you are more than welcome to contact us prior and ask about space required. Some hires need more space in a vehicle than others.

Hiring lawn games for events over the weekend can be collected on the Friday and returned on the Monday.

Hiring during the week, items can be collected the day before event and returned the day after the event.

When collecting items, it is very important that you check that you have every item according to your order request. You will be asked to sign for the collection of your order. Upon signing you are fully responsible for the care of all the items and are expected to return them to us in good order.

Returning of items will be carefully checked. If items are missing or are damaged, you will be liable to pay a fee according to the items missing or damaged.

SECURITY AND BREAKAGE DEPOSIT

A security/breakage deposit will be requested for each hire and is subject to the following terms & conditions.

We charge a minimum security/breakage deposit of R500. This amount can vary depending on quantity of games or the replacement value of the game that you are hiring. This is payable in cash on the day of collection and refunded in cash if the hire is returned on time and in good order.

If games are returned damaged or missing, an amount will be deducted from the security/ breakage deposit, and this will be evaluated and calculated according to each game specifically. If the amount is higher than the security/ breakage fee, an invoice will be sent to the hirer.

LATE RETURNS will be charged to your account as we do have a high demand on our games and a late return can mean a delay for the next hirer.

The hirer will be charged 50% of the hire fee for each day late. This amount can be deducted from the security/ breakage deposit however if the amount is more than the deposit, an invoice will be sent to the hirer.

Any additional fees will need to be paid within 48 hours to Just Fun and Games.

WEATHER

We do understand that we as humans have no control over the weather and weather can change at any given time causing our plans to have to change.

Some of our games can be played indoors if your event needs to move under cover or indoors.

Please contact us prior to arrange for a change of games if the weather forecast changes. This can only be done if other games are available and if it is arranged before collection.

Most of our games are made from wood. We ask that no games be left out in the rain or on wet surfaces. This will cause damage to our games, and you will be responsible for any damage.

Cancellation of games due to weather or any other reason – see more info under Cancellations.
